SOME TIPS FOR STUDYING HISTORY

History is not just about memorising a list of events, names, and dates - aim to be able to explain how events, ideas, individuals, and groups influence each other

In VCE History, it's important to be able to express your knowledge clearly in writing - it's important to develop your writing skills (pay attention in English, kids!)

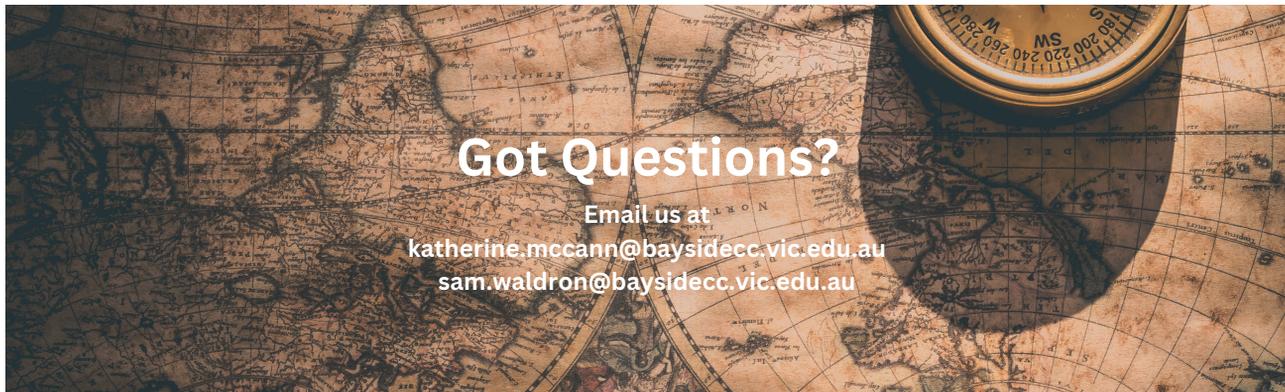

Empathy – the study of VCE History at Bayside is centred on people. We need young historians who care about people, and their dignity.

Critical Thinking – the study of history requires students to consider a variety of sources and perspectives carefully to present a thoughtful interpretation.
