## INSTRUMENTAL MUSIC 2019

Dear Parents,

Bayside Christian College is proud to continue offering Instrumental Music Lessons in 2019. Lessons are available in Voice, Piano/Keyboard, Guitar, Drums and Flute/Clarinet.

### **Fees**

PLEASE NOTE: The per-lesson fees for 2019 have increased from those of 2018, and are due to increase by \$1 per lesson every six months going forward. This is designed to reflect the growing experience of the instrumental teachers. If these increases are going to cause you significant financial stress, or if you have concerns about these increases, please don't hesitate to email Mr Mallen on [david.mallen@baysidecc.vic.edu.au](mailto:david.mallen@baysidecc.vic.edu.au).

Depending on your programme you may be required to supply your own grade book or sheet music for the lessons at your expense.

Individual	30 mins	\$39	Group (2) <i>(where possible)</i>	30 mins	\$27
Individual	20 mins	\$29	Group (3) <i>(where possible)</i>	30 mins	\$21

### **Payment**

The instrumental music teachers will send their term fees invoice near the beginning of each term. Parents need to pay this in a timely manner and communicate directly with the teacher if alternate arrangements need to be made. Lessons may be made up if a student misses a lesson, but no refunds will be given.

### **Expectations for Students**

You might take up lessons with a real desire to be the best you can. You might simply want to be 'trying out' an instrument to see if it suits you. Whatever your reasons, you must be prepared to commit to regular practice on your instrument to give yourself the best chance of succeeding. Ideally this is a brief, consistent time slot, for example, ten to fifteen minutes after school each day. It is also recommended that the students participate in an ensemble or choir where possible to consolidate what they are learning and gain valuable experience by playing/singing with others.

If you are interested in your child/ren undertaking instrumental music lessons, please complete and return the attached enrolment form at any time. The form will be forwarded on to the relevant instrumental teacher, whereupon they will contact you regarding a commencement date for lessons.
