Schedule of Fees & Charges

Bayside Christian College

Annual Tuition Fees

Annual Tuition Fees are inclusive of the core cost of tuition, excursions and camps for your child, and many materials, texts and other costs. Extra charges may apply for non-compulsory camps or excursions, or specific elective classes of choice.

ENROLMENT BOND

A $500 Enrolment Bond is payable by each family prior to the child/children commencing at the College. The bond is non-refundable if the student does not commence. This bond will be refunded when the last child leaves the College, provided there are no outstanding fees, and a term's notice has been given in writing of the student's impending departure.

Families who only have children in the ELC (no sibling in Prep to Year 12) will not be required to pay the Enrolment Bond. Should they wish their child to continue their education at Bayside Christian College, relevant documentation will be required and the Enrolment Bond will apply.

ADMINISTRATION FEE

A $100 Administration Fee per student is payable when a Enrolment Expression of Interest Form is lodged. The Administration Fee is non-refundable.

SIBLING DISCOUNTS

Sibling discounts on Annual Tuition Fees are applied to subsequent children after the first child enrolled at the College (excluding ELC).

TECH LEVY

A Tech Levy applies to all students to cover device rental fees, insurance and license costs associated with school-used software and applications.

BUILDING LEVY

An annual $500 Building Levy Fee is payable by each family to assist with the maintenance and future development of grounds and facilities.

ADDITIONAL FEES

- $135 Years 7 and 8 OES Excursions
- $470 Years 9 and 10 OES Excursions
- $600 VCE OES Camp
- $700 VET Certificate II in Cookery/Agriculture

COLLEGE BUS PASSES

$1,300 full bus pass (return trip) or $750 half bus pass (one trip per day) per student per year. In 2027, the College is introducing a family cap for full and half bus passes. The bus pass charges apply for the first two children in a family. Third and subsequent children use bus service at no charge.

Casual bus passes are also available. $20 for a single trip and $100 for bus pass booklets (6 x one way trips). These are available for purchase at the South Campus College Reception.

State Government Conveyance allowance is available for eligible families, which can significantly reduce bus fees.

CONVEYANCE ALLOWANCE

Families who drive more than 4.8 kilometres to the College (by the shortest practical route) may be eligible to apply for Conveyance Allowance. Forms are available upon request.

VCE VM / VET SUBSIDIES

VCE VM tuition fees are lower than VCE fees to reflect the additional fees required for VET courses. All VET courses (including the costs of materials) are set by the RTO provider. Any withdrawals after the census date at the end of February will incur payment of full fees (regardless of progress). VET fees are to be paid in full by 31 March 2026.

VCE students enrolling in an external VET course will receive a $1,500 subsidy upon successful completion of their course. To receive the subsidy, students must complete their course as an enrolled student of Bayside Christian College.

GOVERNMENT DISCOUNTS

The Camps, Sports and Excursions Fund is a Victorian Government means-tested allowance to assist families with a current Pension or Health Care Card. Eligible discounts are $400 per student. Families can apply through the Finance Department.

The Bayside Foundation

The Bayside Foundation provides a way for families to invest in the future of the College in two key ways; the Bursary Fund and the Building Fund. Donations to the Bayside Foundation can be made by way of an annual donation or by allocating early payment fee discounts to the Bursary and/or Building Funds. All donations over $2 are tax deductible.

Please consider investing in the future of the College by donating to the Bayside Foundation.

Building Fund

Provides an opportunity for families to invest in resources and infrastructure projects.

Investing into future developments will ensure the College has the facilities for students to continue to develop and thrive.

Bursary Support

The Bursary Fund provides financial support for low-income families who cannot afford Christian education due to short to medium-term financial hardship.
